Important Monthly Payment Information

| Promotional Purchase Amount | Suggested Equal Monthly Payment | Promotional Period |
|-----------------------------|---------------------------------|--------------------|
| \$4,499 | \$188 | 24 months |

The Suggested Equal Monthly Payment shown above may be greater than the required minimum monthly payment that will be on your billing statement when you use the 24 month promotional financing offer.

This estimated payment:

- Equals the promo purchase divided by promo period rounded to the next whole dollar.
- Would pay off the promo purchase amount within the promo period, but only if there are no other balances on your account at any time during the promo period and you make your payments on time. Your total payments will equal the amount of the promo purchase amount.

If the promo purchase amount is not paid in full within the promo period, interest will be charged to your account from the purchase date and your total payments will be greater than the amount of the promo purchase amount.

IMPORTANT: The information about the Suggested Equal Monthly Payment shown assumes the following promo financing offer is applied to the purchase.
